

Force is the leading provider of safe, reliable, working at height solutions

# BOARD CARRIER

Maximize your workers' productivity with the easily installed Force Board Carrier attachment. Available on all Force Skyjack & Genie Electric Scissor lifts. The board carrier has been designed with safety and efficiency in mind when working with holding and lifting sheet materials. This will assist your workers by reducing strenuous lifting and leaving platforms free for tools, light materials and personnel.

The Force Board Carrier has a rated work load of 70kgs, and can support sheets up to 4.2m long.

Speak to your Force representative for how you can get one of these on your next scissor lift hire.
